## SONGS

### **Big Gray Elephant** (action rhyme)

The big gray elephant slowly walks,  
She doesn't make a sound.

She swings her trunk from left to right,  
When she puts her feet on the ground.

Swing, swing, left and right,  
She doesn't make a sound.

### **Kangaroo** (action rhyme)

Jump, jump, jump (jump)

Goes the kangaroo. (jump)

I thought of only one- (hold up one finger)

But now I see two! (hold up two fingers)

Mommy and her baby (rock arms back and forth)

With his head popping out (wiggle thumb from fist)

He holds on tight (hug self)

As they jump all about! (jump around)

### **You Can Hear**

(to the tune of She'll Be Coming 'Round the Mountain)

You can hear the lions roaring at the zoo, ROAR ROAR!

You can hear the lions roaring at the zoo, ROAR ROAR!

You can hear the lions roaring, you can hear the lions roaring,

You can hear the lions roaring at the zoo, ROAR ROAR!

(snakes hissing, bears growling, wolves howling, frogs croaking)

## CRAFT

### MATERIALS NEEDED

- 2 sheets green craft paper
- 1 sheet yellow craft paper
- red craft paper
- scissors
- stapler
- glue
- googly eyes (optional)

- Fold one sheet of green craft paper in eighth. Have the kids fold the sheet in half vertically, then half again. Then, have them fold the paper horizontally making eight sections.
- Repeat step one with the yellow paper.
- Cut on the lines so you have 8 strips of paper for each color.
- Fold a green strip around and staple it so it creates a loop. Loop a yellow strip through the green and staple. Repeat, alternating colors, creating a paper chain, until all strips are used.
- Cut one large and one small rounded triangle from the 2nd sheet of green paper. Cut another small triangle out of the red craft paper.
- Glue the large triangle to the end of the paper chain for the snake's head and attach the red triangle for it's tongue. Glue the small triangle to the other end for a tail.
- Add some googly eyes if you have them!

WELL DONE!
