## SONGS & RHYMES

Here Is...

Here is the knight with his feathered cap (take off hat, bow)  
Here are his boots which go tap, tap, tap (tap feet)  
Here is the dragon, listen to him roar (roar)  
Here are his wings to help him soar (pretend to fly)  
Here is the princess with her golden crown (fingers over head)  
Here is her lovely blue ball gown (curtsy)

### Little Dragon (action rhyme)

Little dragon counts to three,  
Little dragon bends on knee.  
Little dragon touches his toes,  
Little dragon touches his nose.  
Little dragon makes a silly face,  
Little dragon runs in place.  
Little dragon lays on the floor,  
Little dragon starts to snore.

### Five Knights in Shining Armor

Five knights in shining armor, fearless and brave,  
Went dragon hunting deep in a cave.  
The dragon started breathing fire,  
The knight's knees were all a quiver,  
So, one little knight went off to the river!

### CRAFT

#### Fire Breathing Dragon Craft

- for the fire, cut scraps of red, yellow and orange tissue paper to be long pointy strips (about 9" or 10" long)
- glue tissue pieces to the inside edge of the paper roll, but not all the way around. leave a gap in the tissue on the bottom (under the nose) gravity will pull down any tissue paper and it won't move when you blow into the tube.

#### Materials

- scissors
- glue stick
- paper roll
- construction paper
- red, yellow and orange tissue paper
- pom poms
- googly eyes
- hot glue gun/white school glue

- cut a piece of construction paper to be the exact length of your paper roll.
- spread glue onto one side of the paper, line up the ends with the end of tube and roll so it's completely covered.
- glue pom poms and googly eyes on top of the roll as the eyes
