

# 2023 SUMMER READING

## CHALLENGE

Print or pick up your Summer Reading Activity log starting in June.

Color all the birds and return your log to the library by 9/1/23 for a small surprise.

**Color the birds on the opposite side when an activity on the right is completed.**

## READ

Reading with children is the very best way to help them be ready to read. Enjoy reading together as often as possible.

## TALK

Talking with children helps them learn new words and develop knowledge of the world around them.

## SING

Singing with children is a fun way to slow down language and hear how letter sounds are combined to make words.

## PLAY

Playing with children helps them express themselves, explore new ideas and expand imagination.

## WRITE

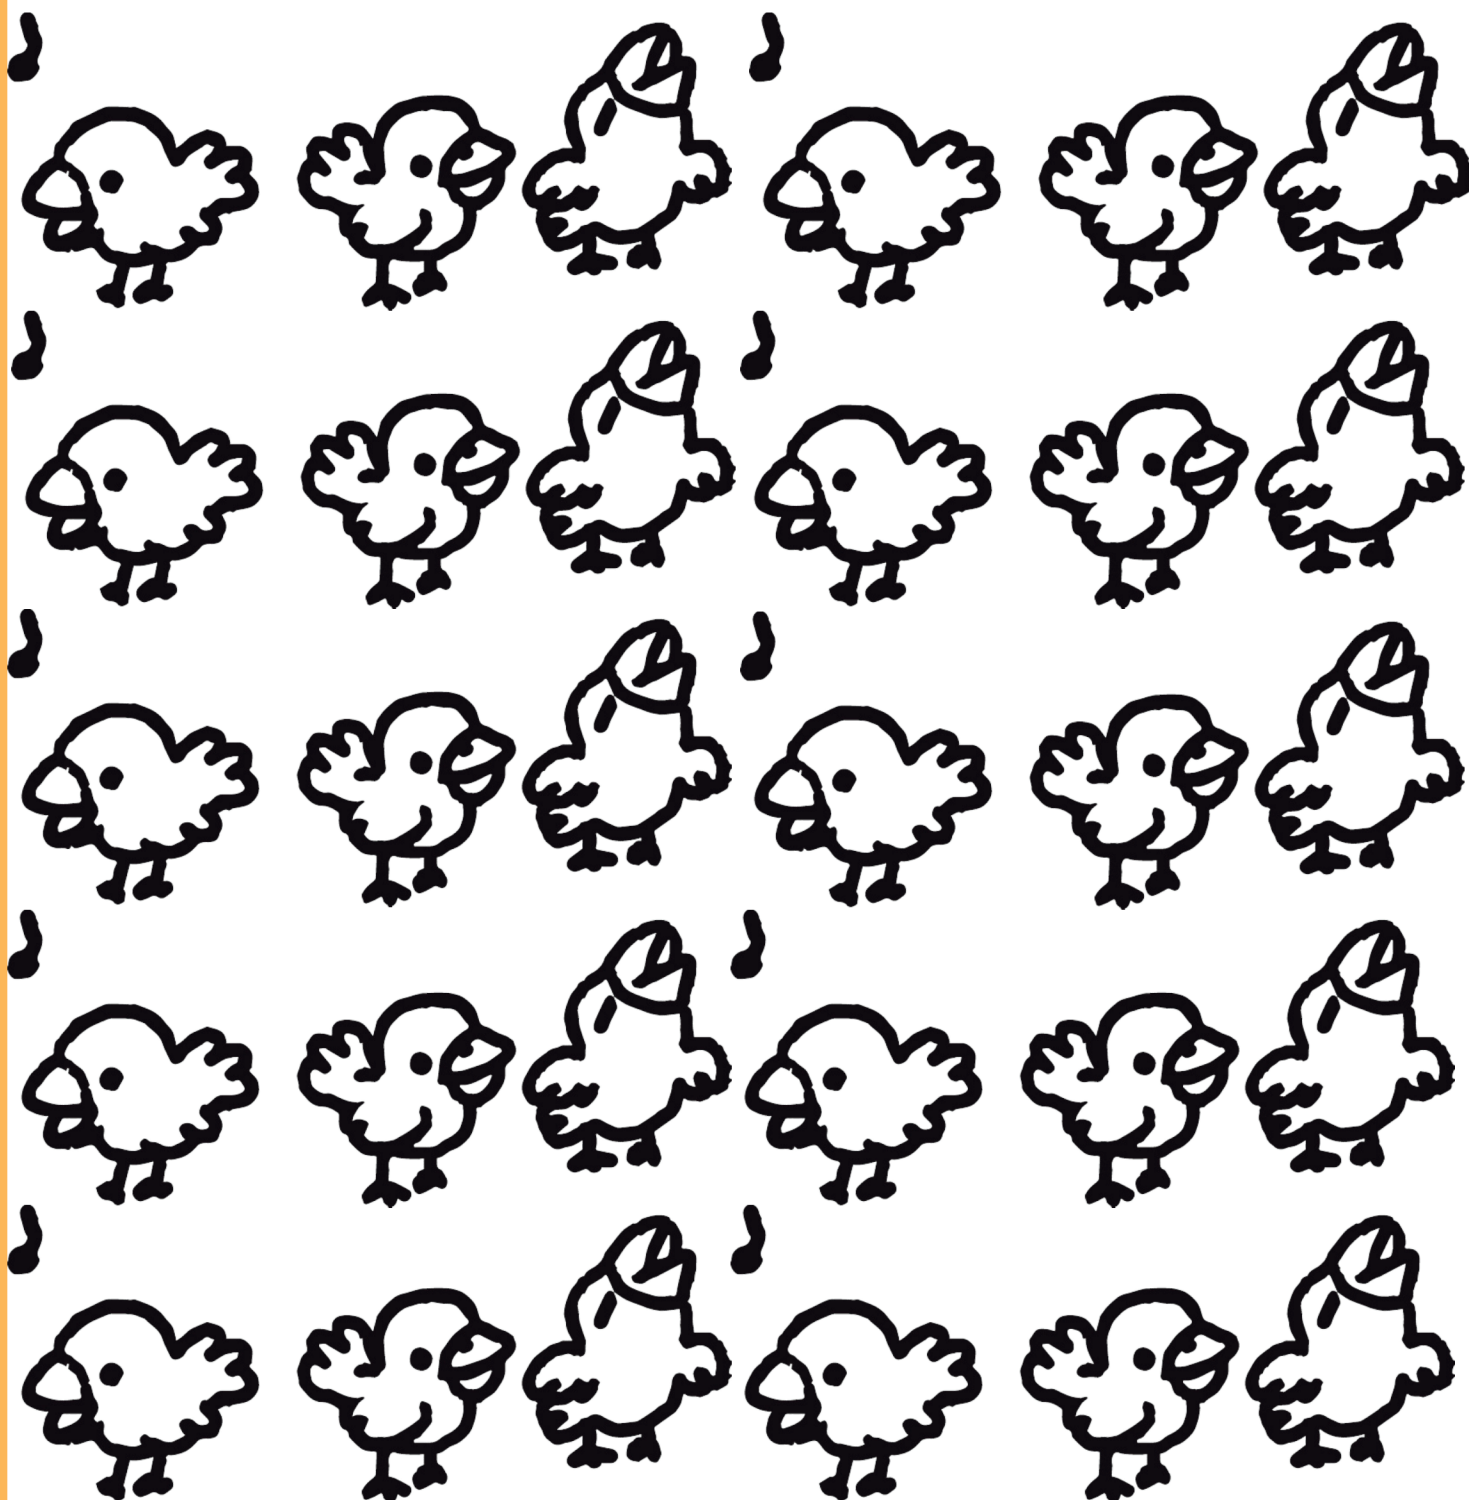

Scribbling and drawing with children is a creative way to strengthen tiny finger muscles needed for writing.
