

2024 Summer Reading

SING

Singing with children is a fun way to slow down language and hear how letter sounds are combined to make words.

READ

Reading with children is the very best way to help them be ready to read. Enjoy reading together as often as possible.

PLAY

Playing with children helps them express themselves, explore new ideas and expand imagination.

Print or pick up your Summer Reading Activity log starting in June.

Color all the birds and return your log to the library by 8/31/24 for a small surprise.

TALK

Talking with children helps them learn new words and develop knowledge of the world around them.

Color the beach balls on the opposite side when an activity on the right is completed.

WRITE

Scribbling and drawing with children is a creative way to strengthen tiny finger muscles needed for writing.
